**EIGHT-MULE TEAM USED

CARGOES TO CONSIGNEE**

(By Latest Mail)

DEETH, Nev. — An eight-mule team
was used today to transport parcel
post mail which has been accumulat-
ing here for the past ten days, to its
destination at Jarbridge, Nev. The
mail is sent from Boise, Idaho, by a
wholesale grocer and is addressed to
a grocery firm at Jarbridge, at the
extreme northern edge of the state.
It is the most inaccessible town in
Nevada and within the second zone
from Boise. A Jarbridge merchant is
taking advantage of the zone rate and
is shipping groceries to his store at
considerably less than the regular
freight rate.

Being informed by Contractor Mc-
Call, who handles parcel post mail in
this section, that the mail was com-
ing too fast for him, Postoffice Inspec-
tor Jessie S. Roberts came here yes-
terday to adjust the situation. He
declares that the mail will be kept
moving from now on.

REPORTS REVEAL PHILIPPINE SLAVE SYSTEM

Investigation Substantiates the
Charge Made Recently by
Secretary Worcester

**CASES OF LIFELONG
SERFDOM ARE COMMON**

**Filipino Girls Sold to Chinese
as Wives—Other Persons
'Held for Debt'**

(By Latest Mail)

WASHINGTON. — Secretary Gar-
rison had before him today a Philip-
pine slavery report by W. H. Phipps,
auditor for the islands, practically
backing up the startling charges of
Dean Worcester.

It cites details of many cases of
boys and girls sold into slavery at
prices ranging from \$50 to \$100 and
says that heads of savage families
sell their daughters and regard the
practice as a right.

"I have no hesitancy in saying that
I think the charges of Secretary
Worcester that slavery exists in the
Philippines are sustained," says Mr.
Phipps.

Some Held for Debt.

The Philippines report is based on
investigation conducted under the
direction of the Philippine auditor by
district auditors. It was accompanied
by a list of 67 persons held as slaves,
some being held outright and some
under the so-called "debt system," the
fallacy of which is shown by the
fact that some of the slaves so held
are more than 60 years of age and
have been held by their present owners
since birth.

"The almost universal report made
to me by each person who has been
asked to investigate," wrote Mr.
Phipps, "was that slavery in some
form existed to his personal knowl-
edge. With a number it is a form of
peonage, which is the most extensive
form of slavery practiced here; with
many others, it will be noted, it is
the barter and sale of human beings
by one person to another, who holds
such person sold to him in absolute
subjugation and they perform duties
and labor for him without compensa-
tion further than scanty clothing and
in many cases indifferent food."

Slaves Since Childhood.

All of the district auditors who as-
sisted Mr. Phipps were obliged to
promise their informants that the
source of information would not be
made public. The names of officials
who helped in the preparation of the
report are also withheld.

One observation has been that the
largest percentage of real slavery ex-
ists in those provinces adjacent to or
in part inhabited by hill tribes or so-
called non-Christians. I myself have
known of several instances where
children have been purchased from
the hill tribes and believe that a
house to house canvass of the serv-
ants of the well-to-do class of Phil-
ipinos, and a proper inquiry into their
status, will show that a large number
of them are actually owned, having
been the property of some families
since childhood.

Girls Sold as Wives.

"There is a considerable traffic in
girls. I personally had a number of
offers of this kind and it is a gen-
erally known fact that a large per-
centage of the Chinese who have Phil-
ipino wives actually bought them at
stipulated price. A recent instance, in
which I was offered boys and girls for
the small amount of 20 pesos, 30 pe-
sos and 40 pesos, was in August of
last year at Cebu. Peonage exists in
all parts of the islands and in many
instances amounts to slavery."

**CAL. TO OBSERVE
PURITY SUNDAY**

Governor Hiram Johnson of Cali-
fornia has issued the following pro-
clamation designating November 9 as
"Purity Sunday," in compliance with
the request of the Seventh Inter-
national Purity Congress:

"To the People of California: I
am asked to commend the observance
in our state of 'Purity Sunday' on
November 9, 1913. Governors of other
states have already issued proclama-
tions to the same effect, and all are
being asked to do so.

"The aim is to crystallize intelli-
gent sentiment against commercial-
ized vice and for the promotion of
morality.

"The seventh international purity
congress will be in session in Minne-
apolis November 7 to 12, and the
Sunday of the session has been
named 'Purity Sunday.' It is hoped
to have from the pulpits over all the
land a ringing appeal for cleaner liv-
ing and better standards.

"Efforts to maintain and elevate
moral standards never can be amiss.
A plan for a 'Purity Sunday' must
commend itself always as worthy and
timely.

"I therefore request, in behalf of
the international purity congress, an
observance of Sunday, November 9,
as 'Purity Sunday.'"

"HIRAM W. JOHNSON."
